

# PRESS RELEASE

31 May, 2024

For Immediate Release

The Zambia Business Angels Network (ZBAN) is happy to announce Mighty Fin as its fourth investment this year, and its twelfth investment since 2021. ZBAN has invested ZMW 230,000,

Mighty Fin was one of the start-ups that pitched at a pitch day event collaboration by ZBAN, USAID EDGE and Avencion.

Mighty Fin, founded by Vwanganji Amatende Bowa is a leading financial technology company in Zambia dedicated to providing innovative financial solutions to underserved markets, specialising in microloans, personal loans, and business financing ([www.mightyfinance.co.zm](http://www.mightyfinance.co.zm)).

This latest investment takes ZBAN's total investments to a total of \$210,000.

We continue to look forward to continually increasing the pool of Angel investors who support and fund promising entrepreneurs in Zambia.
